

Become a 2026 Ohio Chapter ASLA Sponsor

Benefits of Sponsorship

The Ohio Chapter of the American Society of Landscape Architects (OCASLA) is a non-profit organization committed to the promotion of the profession of Landscape Architecture in the State of Ohio. With 370 active members and an audience of 1,300+, OCASLA is comprised of public, private, academic and students encompassing many phases of project participation spanning a multitude of diverse works around the state and country. Sponsorship with OCASLA allows your company or organization to be involved with Landscape Architects and other allied professionals through quality continuing education programs, social activities and community service programs. Networking with our membership provides the opportunity for your company or organization to share industry trends, product and service updates, and other related information that effects the current and future design and construction of architectural projects. You will be also able to increase the visibility of your products and services to Landscape Architects in the State of Ohio. More information at ohioasla.org/catalog.php

advertisement:

Advertisements in our printed and electronic media, including our website, annual awards booklet, and email announcements provide recognition of our sponsors. A logo and link to your company's website will be placed on the Ohio ASLA's website.

engagement:

The Ohio ASLA welcomes sponsor participation at meetings and events held in person or virtually with our membership. We also work with Gold and Platinum sponsors to coordinate additional opportunities for face time with our members.

exhibiting:

Sponsors will enjoy direct interaction with our members while exhibiting at meetings in person or virtually hosted by OCASLA and its sections. Your company can use these meetings to showcase products and services to Landscape Architects, as well as other allied professionals.

marketing:

Do you have a new product or service that needs to be marketed? If so, the Ohio Chapter will gladly highlight it on our social media platforms and email blasts that will be seen by Landscape Architects and other allied design practitioners throughout Ohio.
